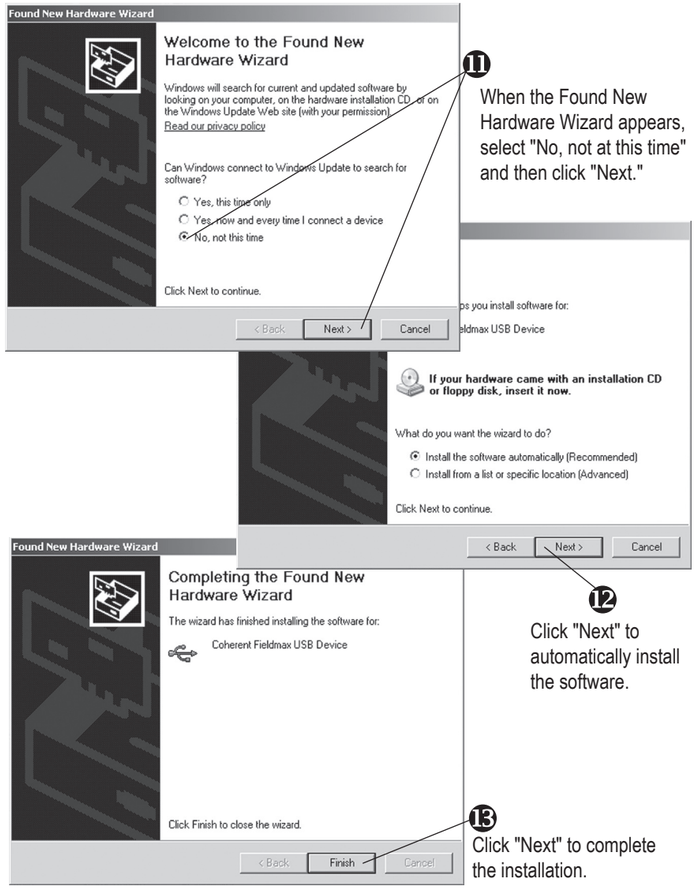
The FieldMaxII installation requires the Found New Hardware Wizard to run twice—the following step is the beginning of the second Wizard cycle.



Found New Hardware Wizard
Welcome to the Found New Hardware Wizard
Windows will search for current and updated software by looking on your computer, on the hardware installation CD, or on the Windows Update Web site (with your permission).
Read our privacy policy
Can Windows connect to Windows Update to search for software?
Yes, this time only
Yes, now and every time I connect a device
No, not this time
Click Next to continue.
< Back
Next >
Cancel
11
When the Found New Hardware Wizard appears, select "No, not at this time" and then click "Next."
If your hardware came with an installation CD or floppy disk, insert it now.
What do you want the wizard to do?
Install the software automatically (Recommended)
Install from a list or specific location (Advanced)
Click Next to continue.
12
Click "Next" to automatically install the software.
Found New Hardware Wizard
Completing the Found New Hardware Wizard
The wizard has finished installing the software for:
Coherent Fieldmax USB Device
Click Finish to close the wizard.
Finish
13
Click "Next" to complete the installation.

If this FieldMaxII is connected to a new USB port, the Found New Hardware Wizard will activate and must be completed again.

Quick Start Guide

FieldMaxII™ Software Installation

(FieldMaxII-TOP, -TO, and -P)

This guide explains how to install the FieldMaxII™ software. For detailed information about the FieldMaxII, refer to the user manual that shipped with the meter.

Do not connect the FieldMaxII to the USB PC port at this time. The software must be installed *before* physically connecting the meter to the computer.

Software Installation

❶ Insert the FieldMaxII CD into your CD-ROM drive. If Autorun is enabled on your system, installation will start automatically; otherwise, select Run from the Start menu and then type ***D*:\Setup.exe** (substitute the appropriate letter of your CD-ROM drive for ***D***).

FieldMaxII Software Setup
Welcome to the FieldMaxII Software Installation Wizard
It is strongly recommended that you exit all Windows programs before running this setup program.
Click Cancel to quit the setup program, then close any programs you have running. Click Next to continue the installation.
WARNING: This program is protected by copyright law and international treaties.
Unauthorized reproduction or distribution of this program, or any portion of it, may result in severe civil and criminal penalties, and will be prosecuted to the maximum extent possible under law.
